

The Wide World of [Male Toys](#)

If you aren't using [male sex toys](#) while masturbating or even while having sex, then you are missing out, plain and simple. We all know that sex is great, that's why we're always thinking about it. Just because it's great doesn't mean it can't be better, and that's where the [best male sex toys](#) come in. All it takes is the willingness to be a little adventurous and you can not only be having even better sex, but you can even use [male sex toys](#) to do things like increase your overall stamina in the sack. It's the best way to practice before the big game. You don't want to get in there and find out that you just can't keep up with a woman. There's nothing more embarrassing.

So what kind of [male toys](#) are out there? Some of the most popular types are the pocket pussies. These [male masturbation toys](#) are discreet and portable sleeves of synthetic flesh. They're holes are usually shaped to look like an actual pussy, ass or mouth. One of the [best male sex toys](#) out there is a type of pocket pussy called the Fleshlight. This thing has the most real feeling fake skin you'll ever experience, and it can be customized to your preferences. It even has a stamina training version.

One of the more advanced [male masturbation toys](#) out there is the Autoblow. This is a little machine that's like a pocket pussy with a motor on it. It moves up and down, so it's like you're getting a blowjob – you don't need to use your hands or thrust or anything. This is one of the [best male toys](#) out there, so you can't go wrong with this one.

If you're tried all that already, then you've got to take a look at prostate stimulators like the Aneros. They say that the prostate is the male g-spot, and that's a great way to describe it. With the Aneros you can have insane and mind-blowing orgasms that you wouldn't even be able to get if you were sharing a bed with ten hot babes!
